

KNIGHTS DOWN MINERS

Victory-Hungry Wartburg Eleven Wins 25-6

Extra

KNIGHTS TAKE ON PENN FRIDAY

Hope to Avenge Last Year's Homecoming defeat of 7-0.

The Wartburg Knights will open their Iowa Conference football competition in a tuff battle with Penn college at Ottumwa Friday Oct. 10.

The Knights are going out to avenge a 7-0 defeat suffered in the Homecoming game last year.

Penn has had to take three conference setbacks already this season. Dubuque, 36-0; Simpson, 12-6; and Parsons, 6-0; all played away from the home field.

Wartburg's record for the year so far shows two non-conference games checked. Last Saturday the Knights showed a statistical lead over the West end-of-the-year game but came home with the shut end of 7-0 score.

Last night the Wartburg boys, playing their first home game of the season, put in a sparkling performance to underwrite the Wisconsin Miners to the tune of 25-6.

The flying Dutchman from Central college at Dubuque, seen well on their way to an Iowa conference football championship in three successive attempts, they have defeated Dubuque, last year's champions, Western Union, and Parsons.

A fine celebration will be in store when the Wartburg Knights meet the Buena Vista Beavers in Wartburg's annual Homecoming celebration on October 19.

THE WARTBURG TRIMPH—Published bi-weekly during the college year. Entered as second-class matter October 10, 1933, at the post office at Waverly, Iowa, under the Act of March 3, 1919. Subscription Rate—\$1.25 Per Year.

Wartburg College Football Schedule

- Sept. 27—McGuire College at LeBannon, Ill.
- Oct. 3—Wauson Miners, here.
- Oct. 10—Penn at Ottumwa.

WHAT A GAME! WHAT A NIGHT! WHAT THRILLS! WHAT A TEAM!

It was the most pleasing sight in all my life to see those fighting, gallant, victory-hungry Knights give every ounce of energy they possessed to show the whole world that a football team really is.

It was a game they play five and ten dollars to see anywhere in the United States but a crowd saw on the Wartburg Municipal Ground last night. Word came across the north shown by that SOUTHERN KNIGHT aggregation that glorified Wartburg college to the highest degree in athletes for many a year.

Talk about spirit, fight, determination, or what have you, Archie (Bud) Kierland has it all in one line when the Miners came to be to full of fight but he backed out Miner would be better 200 times in order that he might not make the tackle.

By the looks of things, "Captain" Rudy was having the time of his life in there. He was great defensively and also caught a couple of passes for good gains. He was leading the Knights, talking with his examples and his fighting determination.

"Nobody touched red"—there was room for a duck to go through! That is what Don Heron said and after he carried the ball 30 yards to tally the first touchdown. That really spoke well for those formations in the line who cleared the way for Don to reach the goal.

By the way, those yards here that the crowd wishes to see keep from biting their finger nails up to the elbows were sold through the efforts of the Junior class.

CAPTAIN RUDY LANGHOLZ

Captain Rudy Langholz, playing his last year of college football, was an important factor in the Knights' triumphant march against the Plattville Miners last night. He is a hard-hitting 185-pound end.

CONGRATULATIONS, BUD

The Wartburg Knights' triumph over the Plattville Miners last night was a hard-fought 25-6 victory. The Knights' star player, Captain Rudy Langholz, was a key factor in the win.

Make 11 First Downs to 8 for Miners

4 TOUCHDOWNS FOR KNIGHTS IN HOME OPENER

The man in the green shirt, originally the light of the Wartburg Municipal field, there tonight, but the Wartburg football stars shone brightest of all as the C. C. Van Dyke-nursed Knights, last night, certainly released a fury that could not be denied and utterly vanquished the Plattville Miners with a 25-6 victory.

From the opening to the final whistle, Wartburg was more than just so much willing, supported by united effort and an adequate supply of Coach Van Dyke's technique, the Knights made a defeat string of four years' standing and tossed the down coast into the regions of the ethereal.

Not one local fan would dare to bet the efforts of the rest of the squad members by picking the side of the home team.

From the statistical point of view, the Knights certainly decided edge to the Miners' 14 yards gained from scrimmage, Wartburg had for the entire night they gained against McKinnon college last Saturday, Wartburg had 11 first downs while Wisconsin had 8.

First Quarter

The Miners took the opening kickoff but were chopped and when they fumbled on their 40 and Kierland recovered for Wartburg. Two line snappers rolled a first down, and on the third Wartburg play of the game, three minutes around right end for 30 yards and a touchdown. Kierland's place kick was wide.

Wartburg 6 Miners 0

The men from Plattville were on their toes, however, they took the Wartburg kickoff and in a succession they fought the ball to the Wartburg 2 yard line. From there, it was a snap drive to the back for extra point was lost.

Wartburg 6 Miners 0

After briefly play to mid-field the quarter ended with the ball in the Miners' hands.

Second Quarter

The second period was in the inability of either team to increase the score. The Knights carried the ball 22 times while the Miners took 20 times, but they ran up 4 first downs to one for the Miners.

Third Quarter

Throughout the third quarter the Wartburg defense was dominant against the Miners were hit on the first play. The Knights, however, added three to their total. A sustained drive late in this quarter, and the snappers on the 20 yard line, place kick, Oberauer marked the line to move the ball to the 12. Kierland's kick again went wide.

Wartburg 12 Miners 6

Fourth Quarter

The fourth period was definitely Wartburg's. The Miners took the opening kickoff and the first down. Oberauer started things moving by recovering a fumble, but after a snap drive to the 10 yard line, the Miners failed to gain any ground. Oberauer recovered a pass and set the stage for another Wartburg drive. Two completed passes from Kierland to Langholz and finished out the ball on the two yard line. Kierland's kick for another touchdown point, which he ran for the extra point.

Wartburg 19 Miners 6

Wisconsin received the kickoff.

FROM THE BLEACHERS

Richard Bunge — smiling, kept warm — we guess — first a pipe and then a cigar, attempted to smoke out the smokers — with his eyes but he was not the very first under the stadium lights, pointing forth volumes of smoke, spectators all around developed serious cases of yawning. Just quietly recuperated to keep right on their feet.

—K—

Brande Mayfield — you know the quiet 11 gal from Wauson — you never saw a football game get so hot as the yellow and red beat of them at every play. But that was not over for the students and touchdowns also yielded a full five minutes, not down, could around the line added, "what happened?"

George Reibing — just "blond" wore his set out — stung him — but the ever all his back — he got it only to be patted out. The Wartburg boys, the "blond" rolled and his rubber-stad feet slipped on the wet grass. He had at the right time for the 10 yards.

—K—

Dr. C. C. Van Dyke — the Wartburg boys, has been saying all night that the ever all his back — he got it only to be patted out. The Wartburg boys, the "blond" rolled and his rubber-stad feet slipped on the wet grass. He had at the right time for the 10 yards.

—K—

Jim Wagner, filled her pockets with the small feminine football and turned around as much that she should cut every cent of the 75¢ change in her pockets. (It's under the third rank up around the middle of the bleachers somewhere.)

—K—

Leo Suchanick's girl was here to see him play a grand game. That was a beautiful kick — she saw him throw in the last minutes of the game.

—K—

And tried a desperate passing drive, Landwehr, however, had other plans. The Wartburg boys and ran 30 yards for Wartburg's fourth entry into the scoring zone. Kierland's deep kick was blocked.

THE WARTBURG
STUDENT BODY

Coach C. C. Van Dyke was more than elated over the performance of the Knights in their first home game of the 1931 season. He is, however, maintaining on doing a lot of teaching this week to prepare Wartburg for the Iowa Conference opener on October 10, when the squad journeys to Penn college at Ottumwa.

It is interesting to note how many Wartburgers saw the first football game of their lives last night. Even when the few were asked to stand up, left the game a lot have told us this was the first they ever saw — all we can say is "It was a swell way to start."

Several team members remarked that the spirit of the Wartburg fans was splendid. Let's keep it up!

Wartburg Field Song

On Wartburg down the field;
Fight for her fame.
Go forth, U. Rah!
Go forth, Ye Wartburg Knights,
And we're always sure to win that game.
U. Rah! Rah!
